LE

CAMINHADA LEVE
ESCALA DE ESFORÇO: 1 A 2
MUITO FÁCIL

Caminhada em ritmo confortável, com a respiração controlada, onde é possível conversar durante o esforço. A percepção é de que é possível manter essa intensidade por um longo período. Há pouca fadiga nas pernas.

MO

CAMINHADA MODERADA
ESCALA DE ESFORÇO: 3 A 4
FÁCIL

Caminhada em ritmo apressado, com movimentos de braços mais vigorosos. Conversar durante essa intensidade exige um pouco mais de fôlego. Há uma sensação maior de fadiga nas pernas.

TRO

TROTE
ESCALA DE ESFORÇO: 5 A 6
MODERADO

Primeira intensidade de corrida, depois que caminhar rápido já não é mais possível. A corrida precisa ser em ritmo tranquilo, com as passadas mais curtas e frequentes. Conversar é possível, mas será difícil completar frases longas. A sensação de fadiga nas pernas pode existir.
